| 1. Amazing News, it has to be told;
Christ taught with such authority.
Unlike the scribes, His words were so bold
With power, they touch and comfort me.
Dark spirits must His Word obey
The power of Christ has won the day! | 2. Demons cried out, “We know who You are!”
“Have You now come us to destroy?”
“You, Holy One of God, we so fear!”
Jesus’ response will give us joy!
His Word, His cross, and then He rose;
By this He vanquished all our foes. |
| 3. Amazing News, it’s meant to be shared;
With ev’rybody, ev’rywhere!
By every means, it needs to be aired,
A message that is very rare!
That God in mercy, loves us so
Through Jesus death, He did us show! | 4. Christ conquers sin, death and the devil;
He did it all for you and me!
His win is o’er all that is evil.
His vict’ry truly sets us free!
So now we praise the God of all,
The Great Triune on whom we call! |
