| <p>1. They say the words of Jesus
Are sometimes hard to grasp.
New life He wants to give us;
To most His words sound rash.
But listen carefully to Him,
Your heart and soul renews!
Forgiveness and salvation -
It is the best “Good News“!</p> <p>3. “Love God above all others!”;
It is the Lord’s command!
But not all fathers, daughters
Will truly understand.
The world will pit against us
A “choice” that we must make:
Commit to them or Jesus!
Deny life for Christ’s sake!</p> | <p>2. Peace on the earth Christ won’t bring;
He came to bring a sword!
Shall we be worthy of Him,
To love world more than God?
Christ says to take the cross up
And follow in His ways!
Our enemies we show love;
Forgiving through His grace!</p> <p>4. The principle of true love
The irony is this -
Mother, in-laws, we can’t love
Without a love that’s His!
To give a cup of water
To just a little one,
Gives glory to our Father
And glory to His Son!</p> |
